

THE ZEMAITIS GUITAR OWNERS CLUB

Subscription rates:

UK £15

Overseas £20

Your subscription entitles you to three copies of the club magazine and also enables you to advertise in the For Sale and Wanted section. Please note this service is not normally available to dealers. On receipt of your subscription you will be sent a free back issue.

The club is probably the safest way to buy a Zemaitis. Since the club started members have bought and sold Z guitars and during that time we have NEVER received a complaint.

Cheques must be made out in English currency made payable to THE ZEMAITIS GUITAR OWNERS CLUB. We can accept cash, to help overseas members we only charge \$30 if cash is sent.
